This 54-hour Medical Interpreting Certificate Program is available on-site and now also on-line.

In this course you will learn the communication and linguistics skills you need to be a successful interpreter.

Make this great decision to be a part of one of the fastest growing job markets in the country, and receive highly valued input on how to market yourself to maximize your employment opportunities!

For further information about TransFluenci interpreting services, visit our website: [www.TransFluenci.com](http://www.TransFluenci.com).

**Come learn or expand your interpreting skills!**

This On-Line Medical Interpreting Certificate Course meets the certification criteria as established by the National Board of Certification and prepares interpreters to take the National Certification Test.

Designed for the new or experienced interpreter, this course, offered in collaboration with TransFluenci, will train you to work in the medical setting according to the standards and ethics of the profession. This course is open to all languages, but students must be able to fully comprehend and communicate in both English and at least one other language.

Because a selective interview is required before acceptance, students must register at least two weeks in advance. Upon successful completion of this course, students will be awarded a certificate and will qualify to interview with TransFluenci for potential employment as interpreters.

**ON-LINE COURSE CODE: ZALL-036 / COST: \$895**
